 Korean Women's Association. spak@kwacares.org | (425) 591-2331

Korean Women's Association (KWA) and partners are leading Washington state's first stomach cancer prevention program, with funding from Patient Centered Outcomes Research Institute (PCORI), Washington State DSHS's Division of Behavioral Health & Recovery, and the City of Federal Way.

October 30th 2015 Stomach Cancer Conference will include the following sessions:

- ❖ **Debriefing:** last year's summit and surveys
- ❖ **Stomach Cancer Prevention:** nutrition and substance abuse treatment
- ❖ **Early Detection:** symptoms that can indicate pre-cursor to stomach cancer
- ❖ **Break-out Sessions:** help us design intervention to detect stomach cancer in primary care or behavioral health setting!

Free hors d'oeuvres will be provided during optional networking session after the conference.
