

Environmental Justice Task Force

Community Engagement Strategy

1. Broad community engagement (6-8 weeks prior to meeting)
 - a. **Objective:** Get the word out as far and wide as possible and garner interest for listening session and EJ meeting
 - i. Social media presence
 - ii. Email blasts
 - iii. Website engagement
 - iv. Save the date
 - v. Hashtags (environmental justice)
2. Attend community-cultural-tribal meetings (3-6 weeks before meeting)
 - a. **Objective:** Get feedback (qualitative data) from grassroots organizations and the communities most impacted

- i. Have meetings with people-leaders in the community to gather feedback
- ii. Invite community representatives to attend EJ Task Force meetings to share feedback to task force

3. EJ Task Force meeting

- a. **Objective:** Incorporate community feedback into taskforce process
 - i. Provide intentional space for community to share their stories and feedback with the taskforce
 - ii. Provide a transparent process that allows for the community to be informed

4. After meeting follow up

- a. Synthesize all notes and feedback
- b. Report back to community via all communications channels key highlights/takeaways/actions
- c. Provide information for next opportunities to engage
