TECHNICAL REQUIREMENTS

There are many activities in the modules, but no information is collected or recorded.

Participants will receive a printable certificate upon completion.

The modules operate best using **Internet Explorer, Chrome or Safari.** Please do not use Firefox.

A high-speed or WiFi connection is required.

The modules operate best using a desktop or laptop. iPads should function properly. Please do not use other tablets or mobile devices. Some of the functions and elements of the training sessions will not run or display properly.
