

Governor's Interagency Council on Health Disparities

OUR VISION STATEMENT

Guided by our North Star that is Equity, we honor the broad differences and bonding similarities that make up this state.

The power entrusted to us by the people inspires us to be channels for change. We shift power by sharing priorities, being transparent and reflective and disrupting oppressive practices so everyone has the opportunity to thrive.

We intentionally act to heal wounds and cultivate trust; instilling equity into every level of government and beyond, assuring true democracy's light shines on all communities.
