Other Economic Development Comments

First-time homebuyers program

Foundations and minority owned businesses registered

Home ownership/property

I don't trust private groups for economic dev. City or County sponsored are best

Women owned businesses

You should not be able to apply if the governor of the organization has filed for bankruptcy

organizations with 100k or less gross receipts within the organization

We don't have a working one in Skagit County, so shameful. They think only farm workers need legal advice
