Council's Goal: We will recommend updates to our authorizing statute to incorporate 17 years of work and learning addressing health disparities in Washington State.

Meeting Objectives:
- Begin our series of monthly workshops and welcome partners.
- Create a shared understanding of the Council's current authorizing statute, as well as the redesign purpose and process.
- Identify needs for information and outreach.

AGENDA
1. Welcome & Introductions • Meet each other and learn about interests and expertise in the room. • Review workshop agenda. • Outline the redesign process, including scope and timeline.
2. Council Power & Impact • Review the Council's current statute and past efforts. • Discuss the Council's vision and operating principles. • Share what we have learned (individually and as a Council) through addressing health disparities, including what we have heard from community.
Break
3. Review Statute • Take a deep dive into the Council's current statute. • What areas of statute require updates? • How can we center community voice in the redesign? • Which partners are essential to engage?
4. Next Steps • Plan for a monthly workshop schedule and identify immediate next steps.
