

Ecosystem Mapping Reflections / Brainstorm Worksheet

This form is voluntary and all questions are optional. We encourage you to turn in your worksheet at the end of the activity, so Health Disparities Council staff can build upon today's work. However, you are not required to submit any information to participate. Any written information may become a public record that is disclosable under state law.

Happy brainstorming!

Name:

Organization:

Contact (email / phone number):

1. Where are you / your organization located in the health and wellbeing ecosystem?

2. How could the creation of a statewide vision and universal goals for health and wellbeing support the work you do in this ecosystem?

3. What strengths or assets would you / your organization bring to create a statewide vision and universal goals for health and wellbeing?

4. Think about your partners and networks: Who is doing related work? Who may want to be a part of this collective effort?

5. What supports/processes would help you and partners engage in this collective effort?

6. Additional thoughts?
